# Principal's Message

Congratulations to members of the yearbook staff for the countless hours spent encapsulating this past year's activities in the form of a yearbook. The superior quality will permit everyone to enjoy and reflect upon fond memories for many years to come.

I have been extremely fortunate to work with a staff committed to a high quality programme for students that leads to increased levels of achievement and solid preparation for life after secondary school. I have enjoyed sharing in the many activities and successes we have had this year and the maximum participation with friends in a caring and appreciative manner. I will always remember my first year as principal and being part of a community within a community, constantly striving to provide a model for all to emulate.

To our graduating students, best of luck in future endeavours. To all returning students, I am looking forward to your return in September. The school will continue to provide opportunities to succeed in the classroom and beyond.

Mr. W. Kennedy

# RoseMary Wolfe's Message

I would like to congratulate the yearbook staff and students for the wonderful years of memories that will be available to all of us as a result of this great publication! I am grateful for such memories because they remind me of the kind friendship and thoughtful respect that I have experienced amongst students at North Lambton. I will treasure for many years the experiences I have had with you.

I hope I can encourage each and every student in this school to consider the study of both Native Language and Native Studies, in the hope that both native and non-native peoples will build greater understanding and awareness of our native culture and history -- because it is through learning that understanding grows.

Most of all, may I encourage all of us to continue walking hand-in-hand in the friendship that will enhance the cohesive caring community that North Lambton has always been.

Gchi Miigwech  
'Thank You'  
Rosemary Wolfe

# SAC

Student Council was GREAT this year. I really enjoyed working with my executive and the council, not to mention my staff advisor, Mr. Shafer. It took a while for us to get back on track, after the teacher strike, but we did it, all of us. Through the hard and stressful times, the SAC has really stuck together. We had one common goal, and that was to raise school spirit.

A big thanks goes to Nicole, the turkey, Turkiem. You really are a great person. You pulled off a lot of great events this year, way to go. More thanks goes out to Lindsay, Adam, Marc and Sam. Good luck to you all in the future. Last but not least, thanks to Mr. Shafer for sharing your knowledge and for your guidance over the past 3 years. It was a pleasure to work, occasionally, with Julie Kernohan and Tara Gilliard (A.A.). They're probably two of the greatest people I've ever known. Many of us are leaving and many of us are staying. I wish all the best to Student Council, to those who are staying and those who are going on to College or University. I say my final farewell to North Lambton Secondary School and all those in it.

# Class of '98

1997-98 was a fantastic school year for the Class of '98. The year started off with a successfull commencement. Next, Winter Wonderland blew into the cafeteria as the theme for semi-formal. The school was entertained by the Variety Show, followed by the popular fashion show. The year's events wrapped up with the prom, which turned out to be a big success.

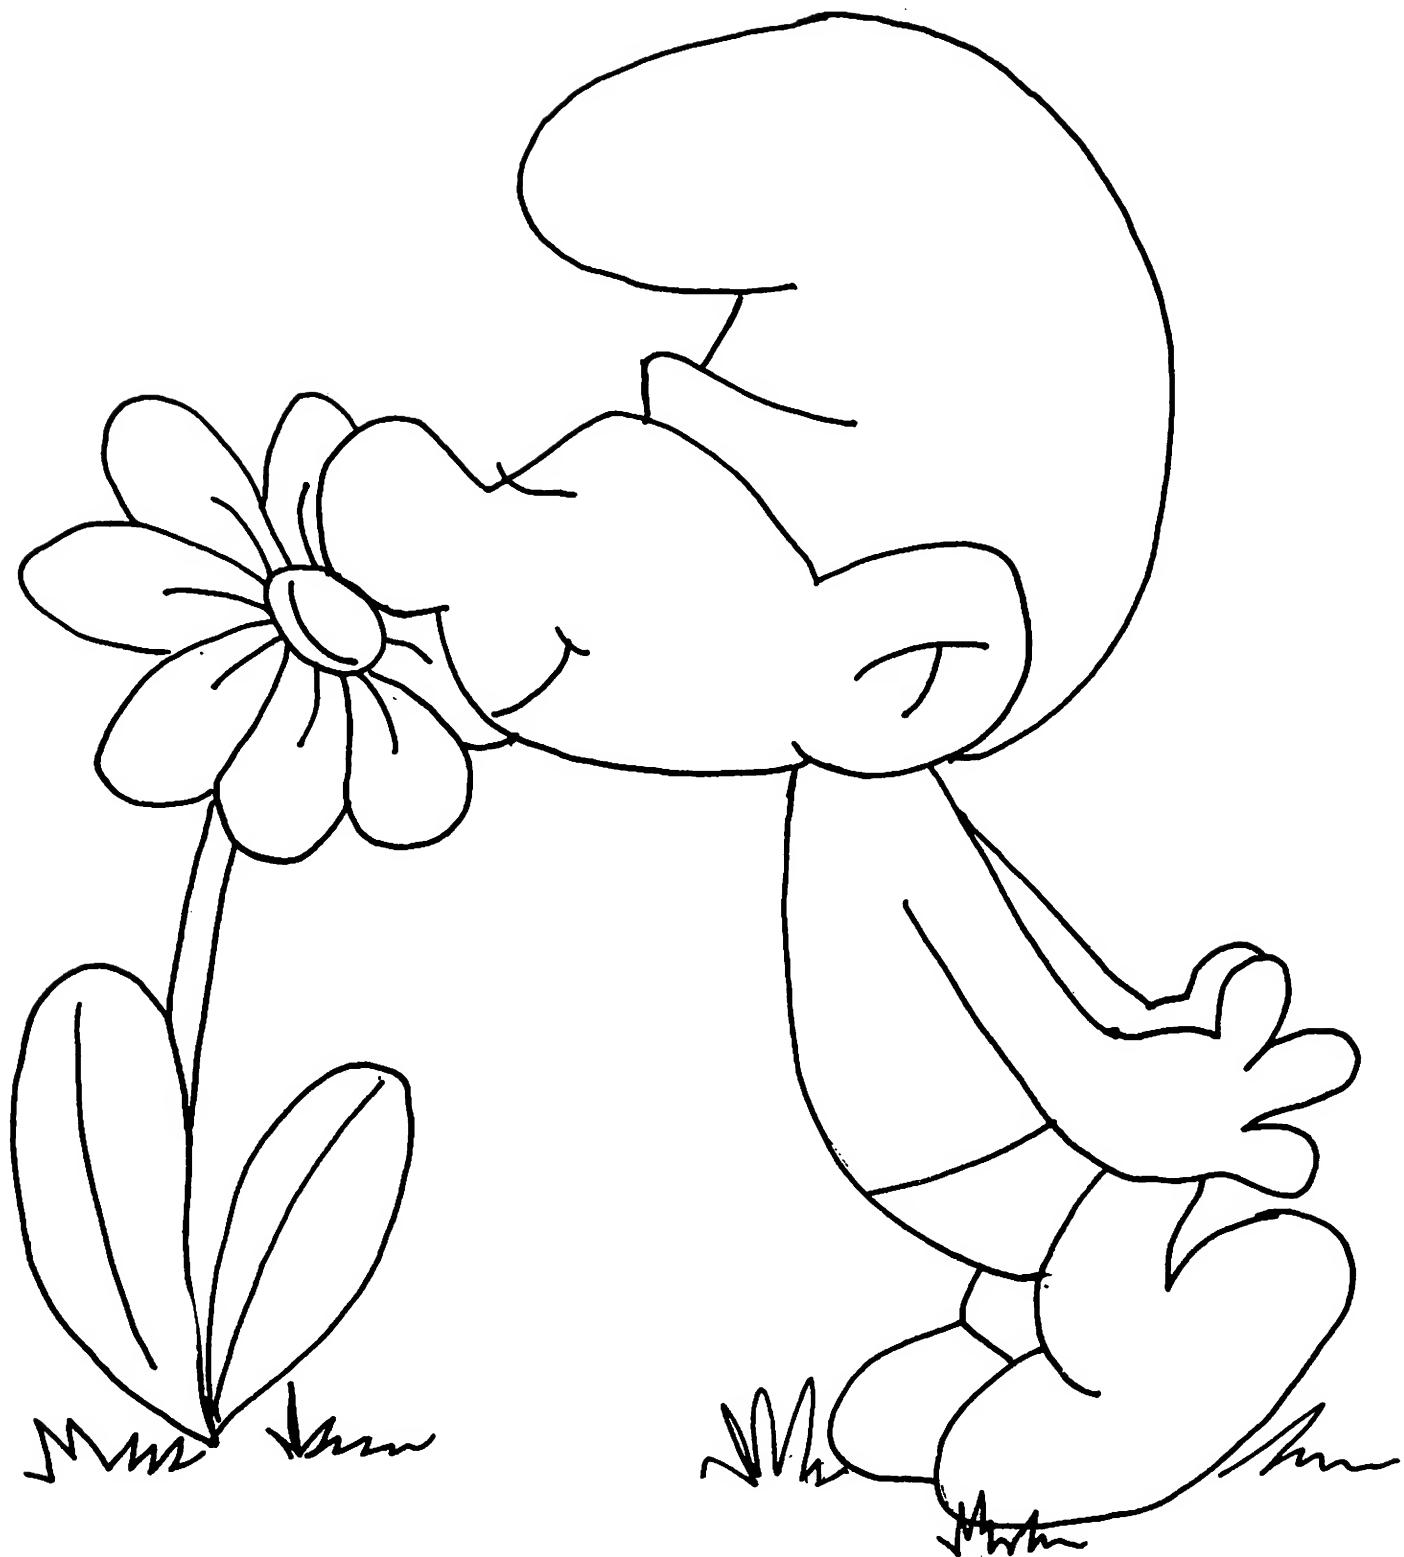

The many students that come out to join Class of '98 must be thanked for their efforts and dedication. Everybody was willing to help out at the many events that we ran. The committees of these events deserve a lot of praise for putting them together and running them smoothly. The staff advisors, Mrs. Dawkins and Mrs. Rodger, should be thanked for their guidance and their understanding. Finally I would like to thank the students of North Lambton for supporting our events and making '98 a great year for everybody.

# FROSH WEEK

Every year we welcome grade nines new grade nines into our school with special events. We call this Frosh Week. This is a chance for the grade nines to get to know the school and the older students. During this week there were many activities planned to get the young students excited about attending North Lambton. The activities were mainly held during the lunch hour in the gym.

The event that everyone looks forward to was held on the Friday of Frosh Week. It was Slave Day. This is when the grade nines are given a chance to boss a senior student around for the day. The slaves had to attend to their master's every wish. The week also ended with the Frosh Dance. This is where the Frosh Prince and Princess were crowned. This year the grade nines voted in Kristen Hutton and Chris Emery for this honour.

All in all it was a fun week for everyone.

*Clockwise from top right:* Julie Kernohan, Deina marsh, Tara Gillard and Abby Brown are decked out in slave fashions; Holly Stokkermans has her slaves Chris Cosmac and Joel Willemse dressed like twins; Adam Johnson and Mark Bedard get close while master Kirk Lichty looks on; and Scott Wilson performs for the lunch time crowd.

Clockwise from top left: Dana Bryson, Rachel Adiar, Kristen Hutton, Mavis Wellington, Krista Boris and Monique DeVet are at the dance; James Beckwith and Sam Page looking "cool" as usual; Frosh Prince- Kevin Emery and Princess-Kristen Hutton share a dance; Rachel Gibson, Laura Hobbs, April Bryson, Alicia McPherson, Kaylen Sharpe, Stephanie McClellan, Stacey Romph, Lauren Douglas; Moraia Elrafih gets a ride from Peter Donald; Tracy Logan gets a hug from Sarah Hales.

# Commencement '97

Clockwise from top left: Mr. Purves opens the ceremonies; Mrs. Johnson and Jeremy Bressette; Paul Kratz gives his Valedictorian address; Chad Kwarciak shows us his diploma; Happy Graduates ~ from left to right, Melissa Kingdon, Kelly Vowles, Melissa Sheppard, and Tina Chapman; Amanda Rombouts.

On October 10, 1997, people of all ages gathered to watch friends and family members (or just people they knew) received their final farewell message, their diploma.

Mr. Purves came back to wish them well in all of their future endeavours. He also told them to cherish all of their memories at North Lambton and to keep in touch with their fellow graduates.

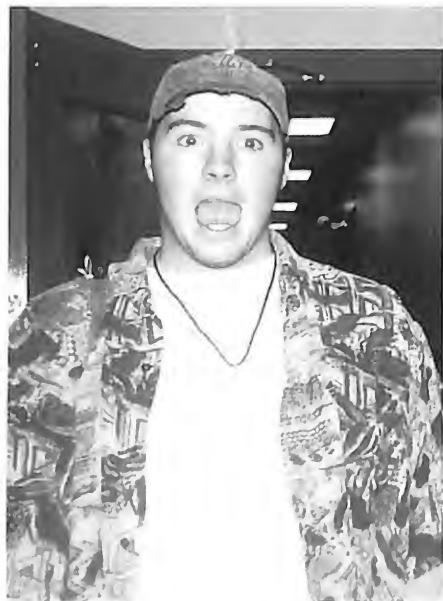

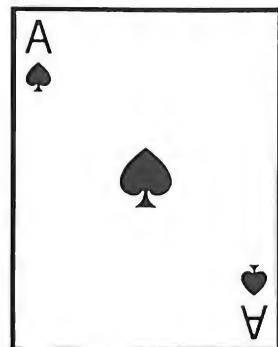

Paul Kratz was elected to represent the graduating class and stood in front of the podium reminiscing about events from the past. He addressed his fellow classmates, wishing them the best of luck for their futures.

Thanks all that took part in the preparation for this joyous occasion. A special thanks is given to Mrs. Morrison, who donated her time to M.C. the evening, and to Class of '98 for the decorations.

# WINTER WONDERLAND

December 12, 1997, North Lambton celebrated the season with a "Winter Wonderland" semi-formal dance. Crowned Snow King and Queen were Scott Wilson / Jared Cook and Alaina Pembleton.

Every year around Christmas, North Lambton students dress up in their best clothes and even buy some new ones to attend semi-formal. This year, the Eagles danced in a Winter Wonderland. With the lights dimmed low, the students and guests danced the night away getting into the spirit of this festive time. A lot of time and hard work was put into this event, but it was all worth while. A special thanks goes out to Class of '98 members, the chaperones, and anyone who had helped in the preparations of this occasion. Eagles of all ages, shapes, sizes and couple status attended and enjoyed it to the fullest.

# Once Upon A Christmas

The crowd clapped their hands together while the King of Rock 'n Roll Mr. "Alvis" Sands danced into the gymnasium.

The grade 11 drama class reminded us about the 12 days of Christmas and a jaw-dropping voice from Mr. McLellan melted every teen's heart...or was that "Alvis"? Mr. Santa (Hart) Claus presented the parting teachers of first semester with Christmas presents.

A warm thanks goes out to our wonderful musicians and special guest Mr. Garret.

# Objects of Desire

Objects of Desire, our school fashion show was, held Thursday April 23, 1998. It was an event that was put on by Mrs. Murray's Fashion Arts Class and the Class of '98. Stores from all over Lambton County participated in NLSS's 25th anniversary of the event. To celebrate the 25 years, some parents (who attended North Lambton in the seventies) were available to model some fashions from the "good old days". It was a great show and was well received by parents and students.

# GREASE...

On May 13 and 14, 1998, North Lambton was turned into Rydell High during the fifties. This was when many dedicated music and drama students did four performances of the broadway musical Grease. They were directed by Mrs. Morrison and Mr. Williams

The play was a complete success and everyone's hard work and determination paid off. The cast included Mike Hillis as "Danny", Jill Ryan as "Sandy", Alison Gallant as "Rizzo" and Paul Pembleton as "Kinieky".

The shows were all sold out and well received. Congratulations to the cast and crew for a job well done.

# SHOW TIME

On the eve of November, 1997 the grade 11 drama class put on the comedy "Lucky, Lucky Hudson and the 12th Street Gang." It was the story of a teenage boy with a wild imagination, whose writing takes him to a world of gangsters, chorus girls, jailbirds and coppers. It involved murders, executions, and high speed chases. This was the second annual "Pie Theatre" with the desserts provided by the performers and their families. Mr. Williams supplied musical effects and Jenelle Thomas and Alison Gallant joined to do a show-stealing song and dance number.

Mrs. Morrison was very impressed with her class's presentation and praised them highly. Due to the teacher walkout, they had only 2 1/2 weeks to learn and practice the play and had a shaky rehearsal that afternoon, however they managed to pull a decent performance out of the bag. Most of the cast went out for supper together afterwards to celebrate.

On Saturday, May 23, many of the senior students of North Lambton spent the day in preparation for this year's prom. "Dancing with the Stars". Excitement mounted as the up-do's were finished, make-up was done, corsages and boutonnieres were picked up, and the last minute arrangements were being made.

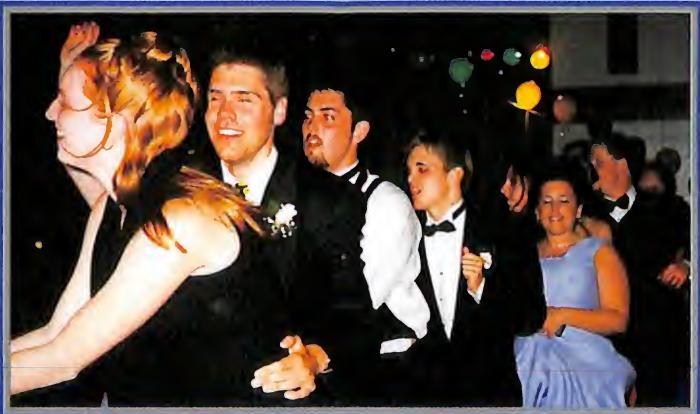

As students began to drift into the school, they saw a few limos parked outside, white, black and even blue( yes...there was a blue limousine!). Once inside the school, they entered a different world. Mr. Jensen was taking pictures in front of a pond scene, and the dimly lit hallways were scattered with silver stars. There was a balloon arch delicately floating above the stage, and another cluster of balloons floating above our heads with the stars.

The DJ played all of our favorites, from YMCA and The Twist to My Heart Will Go On and the Bird Dance! The dance was wrapped up with the crowning of the prom King (Brain Johnson) and Queen (Amanda Rombouts).

Over all, it was a safe and happy night, that will not be soon forgotten.

# Odd Jobs Around the Neighbourhood

Many of the students of North Lambton extend our hard work and dedication from the school to local businesses for part time jobs. These jobs keep us busy and out of trouble, and also allow us to earn a little extra cash to spend when we get some time off. Besides the obvious benefits, this part time working also allows students to gain experience in the working world. North Lambton students are very versatile when it comes to working outside of school. Some students have jobs at campgrounds, restaurants, clothing stores, grocery stores, hardware stores, fast food places, and many other places of the business.

Keep up the good work North Lambton!

# All in a Days Work!

Co-operative education, organized by Mr. Muir, allows students to get some real experience working in the "real world". This program enables students to work in a variety of areas, such as nursing homes, day care centres, schools, businesses and even with the police and fire fighters. The Co-ops give students a first hand look at a career field they may be interested in. Co-op is a very worthwhile experience and it has helped many students in the decision making concerning a future job. Talk to one of the many former co-op students to see how much there is to gain from a co-op!

# A DAY IN LIFE OF...

A typical day in the life of a North Lambton student can be considered anything but ordinary. The day starts with the approach to the school (seen to the left). Students have time to relax before first class starts outside like Lauren Mancell, Liz McDonald, Janine Stott, Jen Watson and Angela Marsh (left, 2nd from top) or in the halls like Christine MacGregor and Sharon Jimson (below story). When classes begin students can be found in the library like Denise King and Kelly Vineham (left, 3rd from top) or even in a classroom such as Heather Stokkermans (bottom left). Students can be found hanging out in the computer lab like Joris Wood (middle top of opposite page) or in Mr. Furtney's room with Ed Hulshof (top left opposite page). Then it is time for lunch when the students head to the caf for a bite to eat. Regulars in the caf include Craig Bothwell (top right) and Adam Greenwood, Greg Vandenberg, Jamie Gilpin, and Waneda Gerorge, Samatha Elijah and Shannon Patterson (2nd from bottom left) or reading like Jannilea McCandless (2nd from top right). During the afternoon, students and teachers can be found all around: Mr. Moloy and Tracy Logan playing soccer (2nd from bottom right), Meghan Cameron and Jill Graham reccuperate from their class. After school students can be found at various drama, sports or music practices. David Beckwith, Natalie Piquette and Scott Allen make an appearance at a grease rehearsal (bottom right). This is a typical day at NLSS.

On November 13th, at 8:00 in the morning, Mr. Jensen's grade twelve geography class and the yearbook staff boarded a coach on route to Chicago with a group from Saunders. Upon arrival in the Windy City we toured the Sears tower and saw the city from way up above. After we enjoyed a rather pricey meal at Planet Hollywood. Following dinner we went to Wembley Stadium Where we roared with enthusiasm and took cover for our lives as we watched the Toronto Maple Leafs defeat the Chicago Blackhawks, 2-1.

November 14th commenced with a tour of Chicago which included a view of the fountain seen at the beginning of "Married with Children.." sitcom. we also saw the locations where various films have been shot, including The Fugitive, and we had a look at many significant Chicago buildings. During the remainder of the day the group got to participate in hands on learning at the Museum of Science and Industry and watch a video at the Omnimax theatre.

November 15th began with a dolphin presentation at the Shedd Aquarium and Oceanarium and later that day we split up and some went to the Art Institute of Chicago and some went to try Chicago's famous "Deep Dish Pizza". we ended the night by going to Andy's Jazz restaurant and walked down to the Navy Pier. To conclude our trip, Sunday we had free time to shop along the renowned Magnificent Mile.

March 13th, 1998, was a very early morning for a group of 14 North Lambton students. Those of us who did actually go to sleep were up around 3:30 a.m. in order to catch the Robert Q airbus in London, which took us to Pearson International Airport in Toronto. Everyone was on time and ready to go, except Eilis!

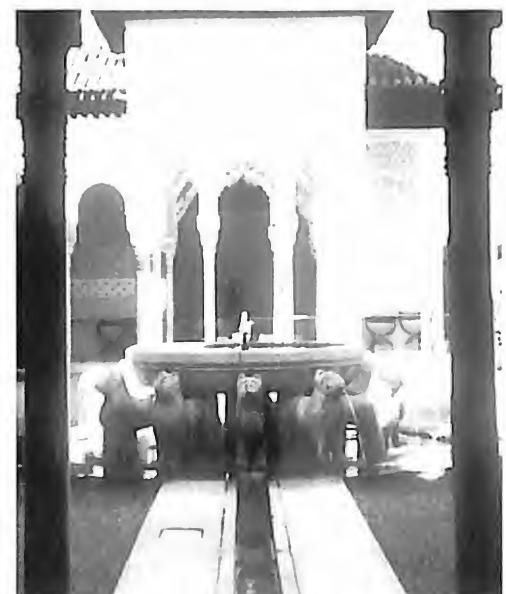

After a 24 hour nightmare tour of Toronto, Detroit, New York, and Amsterdam we finally touched down in Madrid, capital of sunny Spain! Within moments our energetic group had hooked up with the other schools on our tour and met Jose, our Spanish tour guide. Seconds later, we arrived at our first hotel and, with true trooper devotion, went directly to bed!

Later, a number of us decided to test out the Spanish lessons that Mrs. Morrison had given us on the plane. What do you know, it worked! Unfortunately all of our conversations were very one-sided because none of us could understand the response.

Jose lead us on a remarkable week long tour of Spain. Highlights included Madrid, Toledo, Seville and the Costa del Sol. Who could forget the wonder of the 2000 year old Roman Aqueduct at Segovia or the beauty of the Moorish Alhambra at Granada. It was impossible not to have an amazing time around the beautiful architecture, and warm weather and friendly culture. Everywhere we went, we were treated with respect and kindness.

It was a week that none of us will ever forget, even those of us who spent much of the tour feeling under the weather. That means you, Plague boy! With such a great group of kids, it is really tough to go wrong!

In closing, the most memorable quote of the trip: "Senior, una bebida pour favor!"

# DOOM HERITAGE

The grade ten history classes travelled back in time when they visited Doom Heritage Village in Kitchener. Students were treated to role play scenarios of Mennonite life, economics, the Temperance Union and family life at the turn of the century. Highlights of the trip were looking through General Store items and playing dress-up with period clothing. After lunch, the group split. One group toured the home of W.L.M. King and learned about dating in the early 1900's. The second group visited the Homer Watson gallery and met the in-house artist who explained about the art sculptures. It was a fun day and plenty was learned.

# Climbing to the top!

On April 1st the grade 12 Fitness and gym classes travelled to the Himalayas and climbed Mt. Everest. O.K. so it was London and it was 40 foot walls but it was still quite a challenge. Dean Parsons was the first to attack "The Wall," and after struggling up 35 feet he returned to the ground with arms of jello. Jackie Marsh, Jodi Overduin and Abby Brown overcame the "Clint Eastwood" wall which easliy defeated most males in the group. Jeremy Jennison and Brain VanRiel should have stuck with the "Oprah" wall. John Gadsen proved himself a natural orangutan as he hung upside down on the Cliffhanger. After 2 hours of climbing, clinging, rappelling and grunting, the group left to play an indoor beach volleyball tournament. Mr. Moloy's team fought to the finish, but succumbed to the natural element of old age. Dean Parson's team finally won.

After climbing mountains and diving into sand all day, the class was unable to conquer the mysteries of a yellow mechanical monster. Mr. Moloy out muscled the monster's trannie and left the group stranded. Give us natural challenges any day!

Clockwise from top left; an egar group ready to climb; Steph Grahame scales the wall; Jodi Overduin; Brain VanRiel; Jackie Marsh; Sarah Peterson and Mr. Moloy racing (and it looks like Sarah is winning!).

## Editor's Message

Putting a yearbook together takes many hours of dedication and hard work. A big thanks to the wonderful staff of the "1997-1998 Aurea Vincula" is full of wonderful memories.

I would like to thank all the people who kept me sane and helped a tremendous amount. Amanda Rombouts, my assistant editor, who was there for me to bounce ideas off of. My senior staff, Vanessa Vandenberg (who was the group expert), Janine Stott, and Angela Marsh. Their previous experience was put to the test this year when they were able to guide the new yearbook members. My junior staff Lauren Mancell, Heather Hyatt, Shelley Shepherd, Brianne Wiendels, Stephanie Kratz for learning quickly and shedding new light with their great creativity. I would also like to thank the people who did odd jobs for us like Ophelia Bou, Liz MacDonald, Alicia MacPherson, and Mrs. Johnson. I would also like to thank Mrs. Leeson, Mr. Jensen, the secretaries and all the teachers who were ready and willing to help.

I hope this yearbook holds many great memories for everyone and I hope everyone had a great year.

Your Editor,  
Jen Wenz

## OWED TO SPELL CHECKERS:

I have a spelling checker  
I disk covered four my PC.  
It plane lee marks four my revue  
Miss steaks aye can not see.

Eye ran this poem threw it.  
Your sure real glad two no.  
Its very polished in its weigh,  
My checker tolled me sew.

A checker is a blessing.  
It freeze yew lodes of thyme.  
It helps me right awl stiles two reed  
And aides me when aye rime.

Each frays comes posed up on my screen  
Eye trussed too bee a joule.  
The checker pours o'er every word  
To cheque sum spelling rule.

Bee fore wee rote with checkers  
Hour spelling was inn deck line,  
Butt now when wee dew have a laps,  
Wee are not maid to wine.

And now bee cause my spelling  
Is checked with such grate flare,  
There are know faults in awl this peace,  
Of nun eye am a wear.

To rite with care is quite a feet  
Of witch won should be proud,  
And wee mussed dew the best wee can,  
Sew flaws are knot aloud.

That's why eye brake in two averse  
Cuz Eye dew want too please.  
Sow glad eye yam that aye did bye  
This soft wear four pea seas.

# THINGS ARE CHANGING!

During the 1997-1998 school year, there have been many changes to our school. There have been painters painting the school and students working to give NLSS a face lift. In the main foyer, the students of the shop department were busy working on the new trophy cases and the new totem pole (a gift from the Class of '97). As part of the Class of '98 gift to the school, landscaping was done around the school and the sound boards for drama productions were recovered. The school is looking great and it is all thanks to the dedicated students and teachers who are proud to show off our school!

# Fond Farewells

Many thanks to all and best of luck in the future!
